

Daniel Vidal

Junior Web Developer & Designer

(+31) 0649729913 danielvidaldev@gmail.com Based in Amsterdam Spanish nationality

PROFILE

Tech-savvy hospitality & Project Manager who took the chance of Covid-19 lockdown to learn web development as a self-taught student. After completing several courses and having fully coded and designed several websites I feel confident and enthusiastic to start a new career in this field.

Looking for a nice company to further develop and improve my skills, and learn new ones.

SKILLS

HTML, CSS, Sass & Bootstrap

Javascript & React

WORK EXPERIENCE

Web Developer, August 2020... - Freelance

Founder, 2018 - 2020 - Hoodbnb.com

As a solo founder, I developed the entire project from scratch until being fully operational. Very enriching experience where I acquired a very diverse set of skills. Project management, operations, account management, finance, google analytics and SEO, amongst others.

Front Office Manager, 2015 - 2017 - ClinkNOORD

- Leading a team of 25 people.
- Create and implement different sort of projects into the department (Ex: new software provider or procedure)
- Conduct interviews, hiring and training new employees.
- Manage department scheduling, payroll, conduct team meetings, and organize team-building activities.
- Observe and coach employees in one on one meetings.
- Coach and lead the team leaders (4) in their growth.
- Create and implement new department policies and procedures (SOPs) that ensure excellent customer service and safe working environment for all staff.
- Manage front desk operations and department productivity.
- Managing product inventory and adjusting it based on business demand.
- Manage monthly P/L reports, annual and monthly budgets as well as weekly labor reports to run the department successfully.
- Invoicing, partners & supplier relations, stock control, incidences solving, etc.

Front Office Agent, 2006 - 2015 - Diverse Hotels

Developing the usual tasks of a receptionist in diverse hotels in Spain.
